

FACTS & FIGURES

2025

BROWN
Division of Biology
and Medicine

Mukesh K. Jain, MD

Senior Vice President for Health Affairs
Dean of Medicine and Biological Sciences

THE DIVISION OF
BIOLOGY AND MEDICINE

BY THE
NUMBERS

On campus, in the affiliated hospitals, and in our community, our faculty, students, and staff are hard at work, unified in their mission to advance knowledge and the health and well-being of people and planet.

These figures tell the story of the growth and development happening at Brown.

Division of Biology and

FACULTY

143

biology faculty

591

medical academic
faculty

1,891

medical clinical
faculty

A third SMART Plus clinic has been funded by The Warren Alpert Foundation. The school-based health center and health career pathway programs will be at Ella Risk Elementary in Central Falls.

Medicine

BASIC SCIENCE DEPARTMENTS

- Ecology, Evolution, and Organismal Biology
- Molecular Biology, Cell Biology, and Biochemistry
- Molecular Microbiology and Immunology
- Neuroscience

MEDICAL DEPARTMENTS

- Anesthesiology
- Dermatology
- Diagnostic Imaging
- Emergency Medicine
- Family Medicine
- Medicine
- Neurology
- Neurosurgery
- Obstetrics and Gynecology
- Orthopaedics
- Pediatrics
- Psychiatry and Human Behavior
- Radiation Oncology
- Surgery

HYBRID

(basic science and clinical medicine)

- Medical Science
- Pathology and Laboratory Medicine

Program in Biology

DEGREES AWARDED IN 2024

357

undergraduate

51

PhDs

77

master's
degrees

GRADUATE EDUCATION

128

\$11
million

The Pediatric Anxiety Research Center received \$11 million for a study of team-based cognitive behavioral treatment for pediatric anxiety in community health settings.

1. Rhode Island Hospital (a Level 1 trauma center) and Hasbro Children's Hospital
2. The Miriam Hospital
3. Emma Pendleton Bradley Hospital (pediatric psychiatric)
4. Women & Infants Hospital
5. Butler Hospital (adult psychiatric)
6. Providence VA Health Care
7. HopeHealth
8. Kent Hospital

\$150 million

investment over seven years in an enhanced affiliation with the former Lifespan health system, which will strengthen and advance the shared academic mission of the two organizations and allow the health system to be renamed Brown University Health.

Financials

The following financial data are for the fiscal year ending June 30, 2024.

FY'24 Total Division Endowment	\$881,517,098
FY'24 Total Campus Sponsored Activity	\$298,602,000
Division	\$90,816,521
Brown, excluding Division	\$207,785,479
Total Affiliated Hospital Sponsored Activity	\$234,485,379
Brown University Health (Rhode Island Hospital, The Miriam Hospital, Bradley Hospital)	\$157,495,078
Care New England (Women & Infants Hospital, Kent Hospital, Butler Hospital)	\$49,108,483
Providence VA Health Care	\$27,881,818

Philanthropy

Philanthropy makes it possible to carry out the Division's educational and research missions. The generosity of donors resulted in a number of new gifts in fiscal year 2024.

NEW GIFTS AND PLEDGES

\$173,906,969

for faculty support, Brown Medical Annual Fund, and Danoff Laboratories.

BrownTogether Update

BrownTogether, the most ambitious fundraising campaign in the institution's history, concluded on December 31, 2024, after nearly a decade of increasing support for research, faculty, and medical education. As of June 30, 2024, donors have generously given \$509 million for the Division of Biology and Medicine.
